

# LC Privacy Glass: SHOWER ENCLOSURES

**Innovative Glass Corp.** offers a shower enclosure solution by pre-installing modified hinges, utilizing isolation reformers, and reviewing final details of each project for feasibility in wet applications.

**LC Privacy Glass** is powered exclusively with eGlass® brand technology. It features electrically activated, PDLC/smart glass technology that instantly changes from transparent to frosted at the touch of a button or by voice command.

Hardware is available in a variety of colors and finishes.
