

Innovative Glass Corporation to Exhibit at Annual Long Island AIA Product Fair - Tues Oct 5th, 2004

Jericho, NY – October 1, 2004. Innovative Glass Corporation of Jericho, NY, will be exhibiting their E Glass™ product line at the **Annual Long Island AIA Product Fair** on Tuesday, Oct 5th at the Melville Marriott Hotel, between the hours of 12 Noon till 8 PM.

The AIA Product Fair is attended by over 750 Architects, Engineers and Builders from the Metro NY and surrounding areas, and is conducting over 12 Continuing Education Lectures and Seminars.

The company will be exhibiting in **Booths 211 and 213** in concert with Insula-dome Skylights and Semco Windows, its 2 latest strategic partners.

E Glass is the revolutionary new glass and window technology that provides the user the ability to tint, shade or gain privacy with a simple push of a button.

Innovative Glass will be showing it's latest offerings, focusing on SPD Smartglass™ and LC Glass™ Skylights, Windows and Doors.

Included in their display will be their revolutionary Insula-dome Skylight with SmartSensor™ system that automatically darkens the skylight with SPD Smartglass™ when the sun comes out.

The company will also introduce their remote controllable, installation-friendly, “1 wire-install” Skylights.

The Melville Marriott is located at 1350 Walt Whitman Road in Melville, NY 11747; Ph (631) 423-1600.
